Partner Programs

AIDS Support Chatham-Kent Harm Reduction- \$32,350

This program aims to address and reduce the harms, such as poverty, disease/drug poisoning and overdose fatalities, associated with the misuse of psychoactive drugs in people unable or unwilling to stop their use.

Canadian Hearing Society Hearing Care Counselling- \$20,000

The Hearing Care Counselling Program (HCCP) provides communication and hearing support services, either in clients' homes or in the CHS office, to individuals 55 years of age and older with an acquired hearing loss, to enable them to carry out daily living activities independently and with reduced communication difficulties.

Chatham-Kent Block Parent Inc. Community Outreach, Registrar and Volunteer Engagement- \$30,096

Community Outreach – The Outreach Program is a range of prevention based collaborations to increase community's well-being in regards to safety awareness and injury prevention.

Registrar and Volunteer Engagement - The Registrar program provides police-screened volunteers of easily-recognizable homes and businesses the opportunity to provide immediate assistance to those in distress.

Chatham-Kent Women's Centre Shelter Services- \$34,000

The Centre provides emergency residential shelter and transitional housing for every woman and her children who require it in Chatham-Kent.

CNIB Adjustment to Vision Loss- \$40,000

The CNIB Adjustment to Vision Loss Program ensures that individuals who are blind or partially sighted have the Vision Rehabilitation Services, resource information, advocacy support, and emotional support necessary to adjust to their vision loss and engage in appropriate CNIB and community programs. It ensures that individuals receive the specialized post-vision-loss rehabilitation services necessary for them to build the skills and confidence they need to retain or regain their independence and confidence, and to fully participate in life and in their community.

Epilepsy Support Centre Education Outreach- \$18,000

The program goal is to help clients remove the barriers (personal and systemic) that prohibit them from becoming full and valued participants in the community.

Family Service Kent Counselling Services- \$120,000

Family Service Kent provides affordable, professional counselling services for children, youth and adults, where an emotional, relationship or family difficulty is compromising healthy functioning and quality of life. Counselling services are offered by qualified professionals within an accredited organizational environment.

New Beginnings, ABI and Stroke Recovery Association Exercise Program- \$15,000

At New Beginnings all members are encouraged to participate in a structured exercise program where they can measure and provide proof of their enhancements. They work one-on-one and in group activities with all participants in order to help them regain independence in their daily lives.

Healthy People, Strong Communities

Direct Services

Chatham-Kent Nonprofit Network- \$75,083.74

Engages with and advocates for nonprofit organizations that work for the public benefit in Chatham-Kent.

Information and Referral- \$113,351.65

Information and Referral helps people find resources and supports and to make informed choices when dealing with health and social issues in their lives. Information Chatham-Kent is also the data provider for Ontario 211 for our community.

Labour Programs and Services- \$39,923.63

Labour Community Advocacy Program is offered on an annual basis to Union members who provide social service information to their members in the workplace. Each advocate is trained as a resource for Union members and the Union itself. The Labour staff provides information and referral services to Union leaders and members in the Labour movement.

"The 425" United Way Centre for Community Innovation- \$87,939.10

A resource centre that houses United Way and up to eight nonprofit and local government partners. All revenue is reinvested in community building initiatives.

Volunteer Chatham-Kent- \$17,916.11

Matches people with identified talents and skills with non-profit organizations to help them achieve their vital missions. Potential volunteers are interviewed and screened according to the "ten safe steps" and then placed with the appropriate agency /organization.

Women's Leadership Council- \$21,416.70

Provides grants and other supports to improve the lives of women and their families in vulnerable situations.
